Dear Friends:

I am writing to extend to you my sincerest congratulations upon being awarded \$1,000 in funding for a musical performance project from the Nassau Grants for the Arts which is made possible through the Long Island Arts Council.

I am so pleased that you have been awarded this grant so you may continue to enhance art and cultural programs for the Long Island community.

Again, congratulations and best wishes for many fruitful years serving Long Island.

Sincerely,

Carl L. Marcellino
